

NEW Bega Valley bagMUSTER & drumMUSTER collection site

The Bega Valley now has a dedicated collection point for eligible AgVet chemical containers and bags through the industry-supported bagMUSTER and drumMUSTER programs.

Location

Bega Saleyards
Old Calf Shed

Collection day

Every 3rd Tuesday of the month
12:30pm - 4:00pm

All bags and drums will be inspected on arrival. Items may be turned away if they do not meet program requirements.

bagMUSTER®

Bags must be:

- Made of woven polypropylene
- Clean and dry with no chemical residue or excessive dirt
- Stripped of non-PP components such as liners and labels, where possible

drumMUSTER®

Drums must:

- Have the eligible drumMUSTER logo
- Be triple-rinsed or pressure-rinsed to remove all chemical residue inside and out
- Be dry with lids removed

For loads larger than a ute or trailer load,
please make an appointment with
Michael Boag on 0427 552 121.
